

Fotos día 9

El 21 de junio pudimos poner en práctica todo lo que aprendimos durante el curso de mercadotecnia social y los resultados fueron muy positivos. Estos días de taller han sido muy enriquecedores. Me siento muy feliz por haber podido participar en este entrenamiento, no solo por el conocimiento adquirido sino también por haber conocido a personas que realmente quieren crear un cambio positivo.

Espero que les gusten las fotos. Estas imágenes son solo el reflejo de una experiencia inolvidable!
