

A friendly reminder to all Vietnam C4C Participants - small grant proposals due by October 22nd 2018

I miss you all and wanted to remind you to file your Part 1 small grant proposals by October 22nd 2018. Vietnamese submissions should be sent directly to Huyen (copied to Van and I), as these will need to be translated. Proposals from the non-Vietnamese participants (and/or written in English) can be sent directly to me (copied to Huyen and Van). It is very important that the proposals follow the format provided and include all the sections requested including the excel budget spreadsheet as grant administrators will be scoring the proposals based upon these sections. If you have any questions please reach out to Huyen, Van or I. **My email is pbutler@rare.org**

Grant funds are limited

Warmest best wishes to all

Paul
