

I loved Peru

Just wanted to say that I loved spending a couple of days with all the C4C participants in the Peru workshop. Watching you create and use the puppets, put together the discussion board, record the song and unveil the billboard were inspiring. The comic was great and of course ... participating in the community visit was a highlight. Thank you all for your hard work, support and commitment to each other, the Andes and to Peru. I loved it!!!!!! **Thank you Dulce, thank you IFOAM and TMI!!!**
